## Education

---

Kalasalingam Academy of Research and Education  
Computer Science and Engineering Bachelor  
CGPA: 8.03

Virudhunagar, KrishnanKoil - 626126  
September 2022 - July 2026

XII Grade - DR.G.S.Kalyanasundaram Memorial School CBSE  
2021 - 2022

Kumbakonam 612703

X Grade - DR.G.S.Kalyanasundaram Memorial School CBSE  
2019 - 2020

Kumbakonam 612703

## Experience

---

Rinex Technologies | [Web Development Intern](#)

January 2024 - March 2024

Completed a certified internship in web development with Rinex Technologies and Future Netwings.

Built responsive user interfaces using HTML, CSS, and JavaScript.

Worked on live project modules and implemented key web components.

Gained hands-on experience in frontend frameworks and Git-based version control.

Internship recognized by Entrepreneurship Cell, IIT Bhubaneswar.

## Skills

---

Programming Languages: Java, Python

Libraries/Frameworks: JavaScript, React, React Native Expo, Next.js, Tailwind.css, Bootstrap, HTML

Tools / Platforms: Git, VS code, Cursor, Tableau

Databases: MySQL

## Projects / Open-Source

---

VoxMentor | [GitHub](#)

Next.js , Firebase , Vapi

An AI-powered mock interview platform developed using Next.js, Firebase, and Vapi that simulates real-time voice-based interviews. It generates dynamic interview sessions based on role, tech stack, and experience level, providing a highly interactive and personalized preparation experience.

ShareWheels | [GitHub](#)

Expo (React Native) , FireBase , Google APIs

A React Native carpooling app integrating Firebase and Google APIs to enable real-time ride posting, matching, and secure booking. It supports driver verification, route optimization, fare splitting, and SOS features, designed to reduce traffic congestion through efficient shared mobility.

Blood Donor Application | [GitHub](#)

Firebase Realtime Database , Expo (React Native).

A fast, emergency-focused mobile app built with React Native and Firebase Realtime Database to connect blood donors with seekers based on location and blood group. It features real-time alerts, secure authentication, donor history tracking, and a lightweight UI optimized for urgent request handling.

## Certifications

---

VoxMentor (AI Interview Platform) - [Publication in ICOIICS 2025 IEEE Conference, Nepal.](#)

Cambridge English ESOL (A2 Level) - [University of Cambridge \(UK\)](#)

Oracle Certified Foundations Associate - [Oracle](#)

Programming with Python 3.X - [Simplilearn](#)

Top Engineers Workshop: Data Science with Python - [Top Engineers](#)
